

# CS 253 Assignment 1

---

Untar the contents of the folder Q1 & Q2 . Each contains a PDF with problem statement. Solve them and submit it as described below.

## Submission

Tar zip the contents of Q1 & Q2 folders with the required files along with any other extra file that you created in-order to accomplish the task.

- Q1 name the tar zip q1\_cs253\_<roll\_number>.tar.gz
- Q2 name the tar zip q2\_cs253\_<roll\_number>.tar.gz

Tar zip these two into a main with name cs253\_assign\_1\_<roll\_number>.tar.gz and submit it on the submission site.
